

Instructions to BSF Headquarters (far north central San Antonio)

From the east or central part of town (Interstate 35 or Highway 281), take FM 1604 (Anderson Loop) to the west. Exit at Blanco/Huebner Road off of Loop 1604. Proceed through the Blanco intersection and continue west on the access/frontage road to the next intersection, which is Huebner. Turn right (north) at the traffic light onto Huebner Road.

From the west side of town (Interstate 10), take FM 1604 (Anderson Loop) to the east. Exit at Bitters/Huebner Road off of Loop 1604. Proceed through the Bitters/Rogers Ranch intersection and continue east on the access/frontage road to the next intersection, which is Huebner. Turn left (north) at the traffic light onto Huebner Road and over 1604.

Once on Huebner Road, continue North for 8/10 of a mile. Look for the landmark of the large power lines that cross over Huebner Road. Go under the power lines and immediately prepare to turn left onto BSF's private road. There will be ground level brown sign with the address 19001 Huebner Road. Use caution as there will be oncoming traffic on Huebner Road. After turning left you will see a dead-end sign with the power lines running parallel to the road on the left. You have found the right road!!

Proceed west for 1.4 miles to the BSF stone gate. In the evenings, a security guard may question you before you reach the gate.

If you miss the left turn onto BSF's private road, you will come to a traffic light at the Blanco intersection. Turn around and back track up the Huebner Road hill for 3/10 of a mile to turn right onto BSF's road.

If lost, call 210-492-4676 during weekday business hours. If staying in volunteer housing, call 210-669-5025 after 5 PM or on weekends for emergency assistance only.

(See back or separate attachment for map of campus.)
