

A Life of Faithfulness

Remembering **Rosemary Jensen**

Dear BSF,

I am reaching out to share some news. On May 31, former BSF Executive Director Rosemary Jensen closed her eyes to this world. While we miss her, we are united in celebrating her entry into heaven to join her Lord and Savior.

It was at a Bible Study Fellowship Leaders Retreat where I first heard Rosemary teach the Bible. Her singular focus—to magnify God—was unmistakable. She deeply desired biblical doctrine not only to be learned but also to be lived.

The sovereignty of God was her repeated refrain, whether in a conversation, prayer, or teaching. Rosemary embodied a passion to commit without reservation to lead in the cause of Christ.

Rosemary led BSF for 20 years from 1980–2000. During her tenure as BSF's second Executive Director, classes grew from 280 to 971 and The Life of Moses and Romans studies were added. But the totality of her impact cannot be measured this side of eternity. Rosemary was God's unique leader with the vision, gifting, and personality necessary for BSF's ministry expansion. To God be the glory for faithful leaders!

We remember that we study and serve in BSF today because others walked faithfully before us. We thank God for Rosemary Jensen and her shaping influence on the ministry of BSF. Please join us in praying for her family.

By His Grace and for His Glory,

Hollie Roberts

Executive Director | CEO
