

Prayer Calendar

2026 - 2027

What difference could prayer make this year?

At its heart, prayer is simply talking with God. We praise Him for who He is, thank Him for what He has done, and ask Him to do what only He can.

And yet, prayer is anything but ordinary.

Through prayer, God moves in the world—and in us. As He shapes our hearts through prayer, He transforms lives, families, and communities. Prayer is powerful because God is powerful.

At Bible Study Fellowship, prayer is central to everything we do. This year, we invite you to join us in praying each week for BSF members and classes around the world.

Imagine the impact if we unite in prayer throughout this study year, lifting one another before God.

Together, we ask that BSF would continue to magnify God and mature His people.

Thank you for seeking God with us this year.
